Byron: I'm just back in the office after a few days off. Checking in to see if you've had a chance to review out letter.

Thanks,

Brad

Thank you for taking my call yesterday. As follow up, we put together a letter with a couple of requests and well as a little more background on us and our test work. I've also included the legal complaint against BMW filed by our client.

Please feel free to share with your colleagues and please don't hesitate to contact me if you have questions or if you need more information.
